About us

The German Liaison Offices for Industry and Commerce in Iraq are bridge builders between the Iraqi and the German market. The German Liaison Office for Industry and Commerce in Baghdad opened at the beginning of 2009, since February 2010 another liaison office has been made available in the North Iraqi town of Erbil. On June 2010 the Basrah branch office was opened.

All offices are funded by the German Federal government.

Our strategic partners in Germany are the Association of German Chambers of Industry and Commerce (DIHK) and MENA Projektpartner. In addition our offices cooperate closely with the German embassy in Baghdad and the German Consulate General in Erbil.
